RIN: 3206-AJ91**3552. TRAINING****Priority:** Substantive, Nonsignificant**Legal Authority:** 5 USC 4118**CFR Citation:** 5 CFR 410**Legal Deadline:** None

Abstract: Section 410.309 of title 5, CFR (continued service agreements) and 5 CFR 410.404 (expenses of training and meetings) need clarification. 5 CFR 410.309, as written, omits allowance for agency heads to delegate authority to define requirements for continued service. It also omits circumstances when the requirement for continued service can be waived, which has caused confusion for agencies in developing their continued service agreements. Amending 5 CFR 410.309 returns to the regulation language removed in 1996. The deletion had the unintended effect of limiting agency head authority in the area of continued service agreements for training. With increasing interest in academic education and service agreements, agencies have expressed concern about their legal authority with regard to these agreements.

As written, 5 CFR 410.404 does not sufficiently clarify distinctions between training and meetings. 5 U.S.C. 4109 provides agencies authority to pay the expenses of training. 5 U.S.C. 4110 provides them authority to pay the expenses of meetings. However, 5 CFR 410.404 blurs the distinctions between these two; amending it would make clear the distinctions and clarify conditions under which a meeting may be considered training.

Abstract: Under current regulations, locality pay area boundaries change automatically whenever the Office of Management and Budget (OMB) modifies the geographic coverage of a metropolitan statistical area (MSA) or a consolidated metropolitan statistical area. OMB plans wholesale modifications in metropolitan area definitions in 2003 based on new

OPM

Final Rule Stage

criteria and 2000 census data. We plan to tie our locality pay area definitions to the geographic coverage of MSAs as defined in OMB Bulletin 99-4 so that locality pay area boundaries will not automatically change when OMB revises its metropolitan area definitions. This will allow the President's Pay Agent and the Federal Salary Council the opportunity to review the new metropolitan area definitions to see if they are appropriate for use in the locality pay program.

Priority: Substantive, Nonsignificant

Legal Authority: PL 107-296

CFR Citation: 5 CFR 831, 5 CFR 842

Legal Deadline: None

Abstract: Public Law 107-296 authorized agencies to request voluntary early retirement authority (VERA) based on a need for workforce reshaping. Previously, agencies could only request VERA based on demonstrated need to downsize. Public Law 107-296 also provided workforce reshaping flexibility to agencies requesting the authority to offer voluntary separation incentive payments (VSIP). Interim regulations amending 5 CFR part 576 have already been issued to cover the VSIP flexibility. Interim regulations revising parts 831 and 842 of 5 CFR are urgently needed so that agencies can request both VERA and VSIP based on the need for workforce reshaping. At the moment, they can only request VSIP on this basis—which hampers their ability to accomplish the goals set out in the President's management agenda.

Priority: Substantive, Nonsignificant

Legal Authority: 5 USC 8716; PL 106-398

CFR Citation: 5 CFR 870

Legal Deadline: None

Abstract: Public Law 105-311 allowed retiring employees to elect to continue their option B and/or option C coverage on an unreduced basis. Since this means that more people over age 65 will have these coverages and will continue to pay premiums, the previous age band structure (with the top age band being 60 and over) needed to be expanded. OPM previously added additional age bands to option C; we now need to expand these further and to add age bands to option B. In addition, the actuaries have determined that changes in mortality rates warrant further changes to the FEGLI premiums. Since the current regulatory process does not allow OPM the flexibility to

change premiums quickly and in an efficient and timely manner, we are removing the premiums from regulations. We will announce future premium changes in a public notice in the Federal Register.

3607. IMPLEMENTATION OF PREMIUM CONVERSION FOR EXECUTIVE BRANCH FEDERAL EMPLOYEES PARTICIPATING IN THE FEDERAL EMPLOYEES' HEALTH BENEFITS (FEHB) PROGRAM

Priority: Economically Significant. Major under 5 USC 801.

Legal Authority: 26 USC 125

CFR Citation: 5 CFR 890

Legal Deadline: None

Abstract: The Office of Personnel Management (OPM) issued regulations under the Federal Employees' Health Benefits (FEHB) Program to enable employees of all executive branch agencies to pay their share of FEHB premiums with pre-tax dollars in accordance with section 125 of the Internal Revenue Code. OPM simultaneously amended salary allotment regulations at 5 CFR 550, because employees participating in premium conversion must allot a portion of salary to their employing agency, which agencies then use to pay the employee share of FEHB premiums.

3608. FEDERAL EMPLOYEES' HEALTH BENEFITS CHILDREN'S EQUITY

Priority: Substantive, Nonsignificant

Legal Authority: PL 106-394

CFR Citation: 5 CFR 890; 5 CFR 892

Legal Deadline: None

Abstract: Public Law 106-394 requires mandatory self and family coverage for Federal Employees' Health Benefits (FEHB) eligible employees who do not comply with a court or administrative order to provide health benefits for their children. This regulation requires that employees subject to such an order be enrolled in self and family coverage in a plan that provides full benefits to his/her child(ren) in the area where they live or provide documentation to his/her employing office that he/she has other health coverage for the children. If the employee does not enroll in an appropriate health plan or provide documentation of other coverage for the children, the employing office will enroll the employee for self and family coverage in the option of the Blue Cross and Blue Shield Service Benefit Plan that provides the lower level of coverage. This type of mandatory coverage has been in effect for several years in the private sector. This regulation defines how this requirement will be implemented in the FEHB Program.
